

# Pride Rainbow Paper Bracelet

## You will need:

Pride Bracelet Template

Scissors

Colouring pencils or felt-tip pens (red, orange, yellow, green, blue and purple)

Glue or sticky tape

## Instructions

1. First, cut out your Bracelet Template carefully.
2. Colour the top empty box red.
3. After that, underneath the red box, colour in the next box with orange.
4. Underneath the orange box, use yellow, followed by green, blue and purple. It is important that you use the colours in the correct order.
5. Put a dab of glue in the 'stick here' box and wrap it around to make your bracelet. You could also use sticky tape.
